**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please preserve my right, as a residential customer, to choose my own broadband provider! Do not allow the big companies to create a monopoly to narrow choices for consumers! I was previously connected via cable, and upgraded to fiber, which is critical for my connectivity for my daughter's school, and my home based work. Local broadband providers are crucial to maintaining a healthy market, and to provide connectivity to rural and urban customers.
